

Direct Care Worker

DEC is currently seeking caring and self-motivated individuals to assist children and adults with development disabilities to learn essential life skills. Available positions include our Adult Program and Summer Children's Program. The adult program offers full-time flexible scheduling while the children's program is seasonal, through June and July, with both full and part-time positions available. The summer program provides a great opportunity for teachers, students, and other paraprofessionals. Interested seasonal candidates are further encouraged to inquire about regular employment positions at the conclusion of the summer session.
